

30th September 2010

Dear Parent/Carer

We will be placing a recycling bin in the 'social area' at the academy for Newton Farm Advice Centre.

We would like to encourage students to bring unwanted items in from home, so we would be grateful if you would have a sort through and send your child in with any of the following items:

Clothing (all kinds)

CD's

DVD's

Footwear

Toys & games

Bags

Books

Bric-A-Brac

Bedding

Towels

Textiles of all kinds, as if we can't sell them we can send them for rags

Crockery & Cutlery

Mobile Phones

Ink Cartridges

Recycling these items will not only help our community shop, it will also help us achieve ECO schools silver award.

Many thanks for your co-operation.

Yours sincerely

Mrs Sally Kowal

Vice Principal- Community
