### **Issues raised.**

#### **ICT**

Pupils cannot access email correctly. Unable to open attachments and also unable to access google to search. MT to speak with ICT technicians.

#### **Canteen.**

Only one till operating now which means the queue is too long. Used to have more tills so less of a wait. Teachers are pushing in the queue and this is felt unfair as everyone has the same amount of time at break.

#### **Toilets**

Please can the soap dispensers be refilled? Trial for foam soap – how did this go?

#### **Plasma screens**

Students asked if it was possible to have either radio or a music channel on in the social area?

MT to enquire with technicians/ Senior Management

#### **South Wye Drugs and Alcohol Forum**

SWDAF have asked the school to do a survey on the alcohol use of Key Stage 4 students. MT asked for volunteers to create the survey, which will be anonymous and feed back to SWDAF. One, Ayla, Amy, Carrie and Danni all volunteered to help with this.
