School Travel Plan

Jo Williams gave feedback to the group about re writing the school travel plan. Survey went out to everyone in school including staff. Over 90% of people walk to school, some cycle but lots more would like to cycle if the area for bicycles was more secure and had more room.

ICT

Pupils mentioned that sometimes they are not able to access emails etc and it appears some staff are not able to use Impero adequately causing issues to access. Suggested speaking with Mr Mountjoy about giving staff some training on this.

Teaching and Learning team

Mr Thorley spoke with the group and advised training would begin soon for the pupils on the Teaching and Learning team. All agreed that the best time for this would be in Registration time on Non assembly days.
