

Infozone Vision

Supporting young people to recognise their potential, **equipping** them to overcome personal challenges, **inspiring** them to become good role models and **empowering** them to become leaders in their community.

**engaging, equipping and empowering
young people to reach their potential**

Infozone

Overcoming personal challenges

Raising aspirations

Equipping future leaders

Empowering young people

What is the Infozone?

It's a place where students can come into a relaxed and safe environment to access information and support on any issue.

The Infozone is open throughout the day and students can access support by referral from teaching staff, and through appointments.

There is a lunchtime drop-in available to all students.

The Infozone is also open outside of school hours for various activities.

Special events and accredited learning courses are provided throughout the year.

Personal Support Provided by Professionals

Interactive workshops to develop self esteem
